VIP Top Notch, a dynamic 6-level course for international communication, sets a new standard, using the natural language that people actually speak. With a rock-solid apprentice-focused approach, Top Notch offers students the opportunity to confirm their own progress at the end of each easy two-page teaching lesson. Features of top Notch FundamentalsEssential model conversations that make key social language unforgettable and easy to customize the intensive development of vocabulary with active recycling Complete-extended grammar support by a Vocabulary Booster Top Notch Unique step-by-step discussion builders that ensure success for all students Comprehensive attention to pronunciation A wide range of learning strategies and activities that promote authentic and refreshing critical thinking based on 0 reviews. Download & View 350970754-Top-Notch-Fundamentals-Student-Book-pdf.pdf as a PDF for free Top Notch 3rd Edition prepares adults and young adults to interact confidently in English. A course in communicative English makes English unforgettable through the appropriate input of language, intensive practice and systematic recycling. Top Notch is the best option for a fun and engaging course with the widest range of support materials from students and teachers. About Top Notch Prepare your students to speak English with anyone. Speakers with different accents give students the opportunity to listen to different types of English. Keep your class committed to clear, practical and communicative goals in each lesson. Manage mixed skill classes with materials and activities that can be adapted for the whole class, couple work conversation and individual learning. Teach off the page with the full support of the teachers, materials and activities available, minimizing the time you need to prepare. Discover the new edition Extra interactive practice activities that include listening, reading, vocabulary and grammar activities available online - extending the practice out of the classroom. Additional grammar exercises in each grammar section for interactive practice in class and documents for homework. All-color digital vocabulary flash cards help the practice and vocabulary revision to improve the retention of the new vocabulary. New MyEnglishLab content that includes immediate and meaningful comments on erroneous responses and recovery exercises for students who fall below a certain threshold repeatedly. Audio program in the classroom access online and download the audio program without the hassle of loading disks. Top Notch Go App: Get the full classroom audio program on your mobile phone to listen on the fly. Android and iOS. Conversation Activator videos dramatize the conversation models of the Student Book, encouraging students to switch from customizing and expanding them. Pronunciation coach videos provide additional support and extra spoken practice for each unit's pronunciation topic with animated examples to clarify the lesson. Grammar coach videos explain each grammar point and provide more examples. They help students check their comprehension before proceeding to the evaluation. Components Top Notch 3rd Edition offers a fully integrated learning package for both teachers and students. Components include the student book and book, teacher editing and lesson planner, the Top Notch Go app, MyEnglishLab, as well as more loads. In 2016, Top Notch won the TAA Award for Excellence in Textbooks. This award is judged by textbook authors and experts on merit in four areas: Pedagogy Content/Scholarship Writing Appearance & Design Academia.edu no longer supports internet Explorer.To browse Academia.edu and the wider Internet faster and safer, please take a few seconds to update your browser.
